**Auditor's Report:**

The following is an excerpt from the Report of the Independent Auditors, EisnerAmper LLP, as it appeared in Co.'s 2023 Annual Report:

**"Opinion on the Financial Statements**

We have audited the accompanying balance sheets of RSE Archive, LLC (the "Company") on a consolidated basis and for each listed Series as of December 31, 2023 and 2022, and the related statements of operations, members' equity, and cash flows for the Company on a consolidated basis and for each listed Series for the years then ended and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company on a consolidated basis and for each listed Series as of December 31, 2023 and 2022, and the results of their operations and their cash flows for the Company on a consolidated basis and for each listed Series for each of the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Going Concern**

The accompanying financial statements have been prepared assuming that the Company and each listed Series will continue as a going concern. As discussed in Note A to the financial statements, the Company and each listed Series have experienced recurring losses, and negative cash flows from operations, and their lack of liquidity raise substantial doubt about their ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding these matters are also described in Note A. The financial statements do not include any adjustments that might result from the outcome of this uncertainty."
